WHAT ARE PANCAKES?

Pancakes are the very old beginnings of bread and pastry. Generally a pancake is any kind of batter fried or baked in a skillet, on a griddle, or any hot surface. People of all nationalities have made pancakes from time immemorial. Today pancakes are enjoyed for breakfast, lunch, dinner and even for dessert.

The Original Pancake House was founded in 1953 by Les and Emma Hueneke. Drawing upon their many years of expertise in the culinary field and their extensive working knowledge of authentic national and ethnic pancake recipes, they were able to offer without compromise this unique and original menu which has gained national acclaim and remains unchanged to this day. These recipes demand only the very finest of ingredients, such as 93 score butter, pure 36% whipping cream, fresh grade AA eggs, hard wheat unbleached flour and our own recipe sourdough yeast. Old-fashioned sourdough yeast just like your great grandmother used to use, is used in many of our batters. It is grown in our own kitchen from a culture of potatoes, flour, sugar and activated by a "start of yeast". This sourdough yeast produces light, airy, fine-textured pancakes.

THE ORIGINAL PANCAKE HOUSE menu is based on authentic recipes developed years ago, some by famous chefs, others by "home" recipes handed down from generation to generation. Our batters are not from packaged mixes – all are carefully prepared and blended by hand with fresh ingredients exactly as they were intended and originally made. As with homemade bread, preparation takes time and special care. The results are well worth the effort. We will not, as an example, substitute frozen eggs or powdered eggs for fresh eggs. Nothing can replace the fresh product for food value or taste.

All of our butter is USDA 93 score, the finest available. We then render out the impurities (salts and solids) leaving the pure golden oil. This "golden oil" is used in cooking our eggs.

Our whipped butter is just that – nothing added. Our blueberries are the finest, plump berries available. Our lingonberries are imported from Sweden. Our coffee is blended just for our own use, developed to complement your meal.

TO OUR CUSTOMERS

There is NO substitute for QUALITY. We are PROUD of our product and we appreciate our customers. It is our constant objective to serve you the finest pancakes available, and to give you pleasant, courteous and unobtrusive service. Thank you for coming to the Original Pancake House. We hope you will come back often. Original Pancake House franchises are now in operation—coast to coast—imitators everywhere—look for the Hightet and Hueneke registered trademark.
